

Quality Patient Care Products

A•E•R®

AER Witch Hazel Pads / 14-3250-40 and Towelettes / 14-4200-50 are saturated with 50% Witch Hazel, an astringent that helps to shrink swollen or inflamed tissues and relieve irritation, along with 12.5% non-greasy glycerin that acts as a protectant. May also be used in daily vaginal care to cleanse and freshen, maintaining proper anoperineal hygiene and as a final step in infant cleansing while changing diapers.

Scopettes® BRAND

Scopettes and Scopettes Jr. are designed for proctologic and vaginal procedures, but may be used for topical and oral applications as well. Uniform and highly absorbent with 5/8 inch Rayon heads and 3/16 inch cushioned tips. Birchwood applicators are available in 8 and 16-inch lengths and are supplied in both sterile and non-sterile packaging.

LIQUICELL®

LiquiCell Shear Points / 94201 (sm) / 94204 (md) provide a synthetic, external bursa that allows the body to glide or float with an object and aid in the reduction of shear and friction of the skin. Excellent for use with CPAP masks, Oxygen masks, face masks, tubing, glasses (eye/safety), Podiatry (heel/toes), sports, braces, casts, or any other article that contacts the skin. The ultra-thin and nearly invisible liquid-filled membranes are self-adhesive.

LiquiCell® Shear Reducing Mattress Membranes/ 94212 is a medical technology that helps prevent skin tissues from being stretched or torn. The ultra-thin cells contain a liquid that is in constant motion allowing the body to glide or float with an object both reducing shear and friction of the skin and improving blood perfusion to the tissues.

Providing quality patient care since 1948.

Quality Patient Care Products

B-SURE®

B-Sure Absorbent Pads / 14-7031-224 are for **Accidental Bowel Leakage (ABL)** associated with hemorrhoids, surgery, diarrhea, or childbirth. The adhesive-free pads absorb 13 times their weight in water. A thin and highly-absorbent alternative to bulky diaper-like undergarments that provide a simple and effective solution to leakage. These versatile pads also serve as post-surgical anoperineal dressings and are excellent for use in the application of skin protectants such as zinc oxide.

B-Sure Pre-Moistened Witch Hazel Pads / 92505 are saturated with 50% Witch Hazel, an astringent that helps to shrink swollen or inflamed tissues and relieve irritation, along with 12.5% non-greasy glycerin that acts as a protectant. May also be used in daily vaginal care to cleanse and freshen, maintaining proper anoperineal hygiene and as a final step in infant cleansing while changing diapers.

B-Sure Traveler Witch Hazel Towelettes / 92501 Cooling, soothing relief for hemorrhoidal and vaginal discomfort. B-Sure Traveler Witch Hazel Towelettes are saturated with 50% Witch Hazel, an astringent that helps to shrink swollen or inflamed tissues and relieve irritation, along with 12.5% non-greasy glycerin that acts as a protectant. Together they provide a cool, soothing compress. The pre-moistened towelettes are both dye-free and pH-balanced.
